I am requesting information about the 2 permits applied for on Woodscreek Drive. There was no mention as to what they were for,,,,,,it must be noted on the permit or how would know to approve or disapprove a permit without knowing what the project is.

Thank you in advance

Danelle (Dee) Hutcheson

Prepare a drawing on the grid sheet or a separate sheet of paper showing lot location (road names, lakeshore, ordinary high water mark, streams, easements, rights-of-ways, unusual topographic features), lot dimensions, location and dimensions of all existing and proposed structure(s) including height, distance between structure(s) and front, rear and sides lot lines. Locate driveway, giving distance to nearest side lot line. Also show locations of well, septic tank and drain field. Please refer to Instruction page.

NOTE: The Township must inspect the layout of the building and verify all application information. The signature of the applicant on this application authorizes the inspection of this property. Please call the Zoning Administrator at 231-547-6961 when the site is staked, but before construction begins. Mail completed application to: Zoning Administrator, 09195 Old US 31 N, Charlevoix, MI. 49720. You may also contact the Zoning Administrator at zoning@hayestownshipmi.gov. Whenever your property has an improvement added, it is added to the Hayes Township Assessment Roll. The Hayes Township Assessor is notified of new zoning permits & will visit your property to assess the improvements. If you prefer to have an appointment vs the assessor coming to your home unannounced, you should contact the assessor to schedule an appointment. Assessor, 231-497-9361.
